

Beautiful holiday villa with pool in Scicli Ragusa Sicily

This Villa is the right place to spend memorable holidays.

Once crossed the gate and the typical stone passage, you can admire the color of coast and the majestic countryside.

Your natural and spontaneous reaction will be: "WOW".

Moreover, you won't be able to resist having a swim in the infinity pool, gazing at this view.

Inside, the villa is equally as charming: modern kitchen and a spacious and bright living room.

The four themed rooms, all with a private bathroom, will guarantee you the maximum privacy.

The project of the House counts 5 bathroom well linked to the kitchen and the swimming pool as well.

The Villa`s area is 9,000 square meters, thanks to an accurate study of the microclimate, a little botanical park has been brought to life with trees and aromatic herbs. At every excursion you'll go through a Baroque or a seaside tour, it will be always a pleasure. Enjoy the comfort and the relaxation that the Villa and we will provide you.

You will wonder if is it possible to dream with your eyes open.....OH YES!! And the Home in Sicily staff is always ready to spoil you and make you dream!!
